

ezIQC® in New Mexico Through CES

Gordian's Job Order Contracting (JOC), known as ezIQC, is available in New Mexico through Cooperative Educational Services (CES) contract # 660-21. ezIQC brings speed and efficiency to the construction procurement process by establishing local, competitively awarded prices upfront, in the form of a Unit Price Book, eliminating the need to bid on each project separately. Avoid the red tape of traditional procurement, issue POs in days and still satisfy your local competitive bidding requirements with ezIQC.

About CES

CES is an educational cooperative formed via a joint powers agreement among all of New Mexico's public school districts, colleges and universities and most of NM's charter schools. This co-op also serves municipalities, counties, other local public bodies and qualifying nonprofits. Some of the services they provide to members include cooperative purchasing, ancillary staffing, professional development, consulting and temporary professional staffing. CES began doing business in 1979 and added services to municipalities, counties and other local public bodies and nonprofits as of 2006.
